

Dear Parents/Guardians

I hope everyone is doing well and healthy during this difficult time. We will be opening the daycare on June 15, 2020. There will be a few changes due COVID-19 and the rules from the State of New Jersey for everyone's safety and health.

Please do not bring backpacks for sanitary reasons, we would recommend bringing a Drawstring Backpack or Tote Bag. A friendly reminder to label their bags.

Some other changes that have been made is, no food will be provided due to the COVID-19 for health and safety regulations. Parents will be responsible to provide breakfast, lunch, and Snack. Therefore the parents would be held responsible to provide each child with their own food due to the State of New Jersey Health Department. Please put their food in a brown paper bag/lunch bag and label it with their names. Also label each item as well for sanitary reasons.

The water cups will be returned at the end of the day, bring water cups daily. They will be filled with from our water coolers.

Please send a mask for the child, in a Ziploc bag with their name on it. We will be practicing how to wear a mask and why we need to wear one. The kids are not required to wear a mask but the state encourages them to try to wear a mask.

Please reach out to me via email, phone call or a text. As we will have limited seating due the rules and regulations of State New Jersey.

I would like to thank you everyone for being cooperative. Please let me know if you have any further questions. Looking forward to seeing everyone on June 15, 2020.

Sincerely

Sthefanya Ruiz
